A FEW MORE THINGS TO CONSIDER...

Servers: Don't forget, we offer servers to make your night run smoother. They will help with refilling drinks, clearing tables, emptying trashes and just keeping things "tight" through the night! We suggest at least 1 server per 50 guests. They cost \$17 per server, per hour.

The Clean-Up Package: This allows you to "leave it all behind". That's right! Hug your guests and walk out the door! We will clean up everything, box up your items for you and take care of all the things that you won't feel like doing at the end of the night! \$350

Patio Heaters: If the evening is predicting to be chillier than you anticipated, we offer propane heaters to take the edge off! \$15 each

Golf Cart Option: \$75 for one hour before the ceremony, \$75 for on-call service at the end of the night.

The Brick Barn/Little White Barn: These barns both have so many uses that enhance the experience of your day. Depending on the location of your ceremony, adding the use of one of these barns for your cocktail hour allows the people another place to

mingle and explore the farm. They will love the charm both buildings offer in their own way! The Brick Barn is a perfect space to set-up your buffet line and allow more room for guest tables in the Gathering Place. The Little White Barn, with its air-conditioned space, is also a favorite place to set-up as a great option for additional seating and conversation places before or after dinner.

There are endless options!! \$500 each location

Rehearsal Dinner Option: Want to host the Rehearsal Dinner at the Farm as well? This option will ensure that your rehearsal is in the evening before your wedding. We will secure the use of the Little White Barn or the Brick barn, as well as set-up and tear-down of the tables and chairs that you need! The time from runs from 4:00pm – 10:00 pm the day before scheduled wedding day.

\$650 As farm schedule permits

Second-Day Option: Want to ensure that your celebration doesn't rush by in a blur? Extend it an entire day the day before. Come, take your time setting up your décor and hold your rehearsal at the time you chose. Use this time to create the spaces you wanted that will make your day extra special! Or use

the time to bring your flowers in and have fun creating your own bouquets and centerpieces here on-site. This option also includes the use of one of the barns to host your rehearsal dinner

in! The time from runs from 8:00am – 10:00 pm the day before scheduled wedding day. \$1,900

The Lofts: Created out of what used to be the hay lofts, we now have a spiral staircase and a library ladder that connect you to 2 uniquely crafted spaces that you and your bridal party can spend the night before the wedding in, able to sleep up to 8, but can be more if needed! This will let you and your wedding party to relax and wake up to the birds chirping and horses running through the fields before you start getting ready for the big day! Continental breakfast of bagels, muffins and fruit served with it, along with lots of coffee! *This option only works when used in conjunction with either the Rehearsal Dinner Option or the Second Day Option.*

\$300 per night, for up to 8 girls. \$40 per additional person to stay. Luxury air mattresses, bedding, and towels will be provided for them as well as breakfast!

Equestrian Walk-In: Fairy Tales DO Come True! Want to arrive at your wedding ceremony in the most stunning way possible? No need to try and sneak up on your ceremony without anyone seeing you! You will take their breath away when you surprise them by arriving saddled on one of our beautifully adorned

horses. We will braid her hair with wildflowers for that romantic touch. Then we will lead you and her to the top of the aisle for you to dismount and walk down with your loved ones. After the ceremony, have a special

time with the horse and your photographer to capture those, oh so romantic shots! \$350

Equestrian Photo Shoot You are choosing to get married at what has been a home to horses for over a century! It makes perfect sense to include that aspect in your wedding photos. We will clean them up specifically for you and have a trained professional help you to stage yourself and the horses, so you won't have to worry about what they are doing while your photographer snaps away! \$175

Petting Zoo: Come step inside the pen and feed our fun-loving miniature animals! The Nigerian goats, our donkey Oliver, and fluffy bunnies will keep your guests happy and entertained during the cocktail hour while you take your pictures. They won't even know you are missing! \$75/1 hour
